(* Addendum to point 14) for the following reasons:
- Incorrect price
 - The inappropriate price of the vehicle
 - The final selling price is not stated for payment in cash, the price is subject to something, in the note, etc. Is another price listed, ...
 - This is the price without VAT, but the price is not marked as such
 - Other uncertainties included
 - The listing is under a wrong category
 - A crashed vehicle is advertised as Used, New or Nearly New
 - Duplicity - one vehicle is published in multiple ads in different categories, and so on.
 - Sold - the vehicle is advertised despite being sold
- 15) If an advertisement under point 13 is misspelled and can not be automatically repaired, the Employee of the www.AutosEU.com portal will contact the advertiser via the contact details provided and arrange for it to be corrected or suggest other courses of action.
- 16) The www.AutosEU.com portal reserves the right to make any changes deemed as necessary to the advertisement, prohibit the advertisement from being published at all, or completely remove the advertisement entirely without prior notice, if it is inconsistent with the valid laws of the Czech Republic, good manners or any other reason.
- 17) An advertisement that has already been published does not require to be taken down after any modifications have been made to the advertisement by the user, the changes made to the ad appear immediately after submitting the adjusted data through our vehicle upload interface.
- 18) For an unpublished ad, all data can be edited continuously.
- 19) It is a violation of the www.AutosEU.com portals terms and condition to edit the basic data (Make, Model, Year, Body Type) for a previously published ad.

20) After expiration of users dealer packages, additional car listings and featured car packages, your account will be reverted back to the default account package and your posted car advertisements on the website will be adjusted in accordance to the maximum permitted default account car listing number, with any car listings in excess, being marked as "draft". During this time, the required amount can be repaid (* see points 5 and 6) and the advertisement will be restored publicly on the [AutosEU.com](https://www.AutosEU.com) platform.

21) An advertiser can remove their advertisement at any time by using the delete icon for each advertisement in the "My Cars" panel. The amount associated with the advertisement or an advertisement package is taken as already exhausted.

22) The order of photos for an advertisement is determined by the advertiser himself. We recommend that you select the appropriate photo as the first photo (see point 22). In order for potential customers to have the full look of the vehicle immediately available at first glance.

23) Appropriate first photographs are considered to be photographs:

- On which the vehicle can be seen in full and is properly illuminated - which is photographed in daylight and can be seen on the vehicle from the left front (the front of the vehicle and the driver's side both visible)
- Which has a minimum resolution of 640x480px
- Which is not shot at night
- Which does not include an interior photo, only body panels or parts, or a rear-view of the vehicle

24) Additional photos associated with the advertisement should be also taken to ensure that they are always properly illuminated and give the potential buyer the most thoughtful view of the overall condition of the vehicle sold. All photos except the first may contain details of the body and interior of the vehicle sold.

25) The www.AutosEU.com Portal is not responsible for the activities of the www.AutosEU.com portal users nor for the way they use the services. It also has no responsibility for possible misuse of the servers services by users or third parties.

26) The www.AutosEU.com portal only mediates contact between the seller and the buyer and does not assume any warranties of truth, quality, origin, delivery, removal, payment or usability of the offered items.

27) The www.AutosEU.com Portal is authorised to modify or upgrade/ downgrade users dealer packages, additional car listings and featured car packages without the user's consent and without prior notice.

These terms and conditions become effective and valid at the time of their publication.
www.AutosEU.com reserves the right to change these terms at any time without prior notice.
